If paper invoices or correspondence is required, a \$5.00 fee will be assessed per mailing.

I will maintain the premises in reasonable condition so as not to increase facility owner's liability requirements. I will keep the door to the unit closed at all times except when entering or exiting. I will keep it clean and free of debris or anything that would attract insects or rodents. I understand the passcode for the facility is for my use only and agree to not give out to anyone.

I will not violate any laws on the premises and assume all legal responsibility for the acts and conduct of any visitors.

I agree not to transfer or assign the agreement, nor to sublet the premises or any part of the same.

Facility owner or owner's Agents may enter the unit at any reasonable time to inspect, repair, or maintain the premises.

It is expressly understood that I will maintain all necessary insurance for the personal property left on the premises and not to hold the facility owner liable for the same.

I understand that the following materials are strictly prohibited and cannot be stored at this storage facility: Any liquids, hazardous, toxic, flammable, radioactive,

illegal or similar materials. I understand that I will be immediately evicted and held liable for any damages should I violate these conditions.

I understand and agree that if gas-powered equipment or vehicles are stored in the traditional and container type storage units or in the indoor climate-controlled storage units at this facility, it is the responsibility of the tenant to store those items in compliance with the fire code. I understand if storing gas-powered equipment in a climate control unit, the battery must be disconnected and the gas drained. I understand that I will be immediately evicted and held liable for any damages should I violate these conditions.

I understand if I have a climate-controlled storage unit that my individual unit will not be temperature controlled and that it is the facility that is temperature controlled by the owner or owner's Agents.

I understand if my unit has optional electricity, it must be used in compliance with the law. If my unit has electricity there will be an additional fee, or if the option is available, I will put the electrical bill for the unit in my name and pay it on time. This option is only available on select units.

I agree that if payment to facility owner is past due 5 days, there is a \$10.00 late fee. If payment is 15 days past due there is an additional \$20.00 late fee and gate lock-out until paid in full. If payment is past due 30 days the unit is termed "overlock" and the paddle-lock will no longer operate; overlock will not be removed until balance is paid in full. If payment is past due 45 days the facility owner or agents of the storage unit have the authority to dispose of my personal belongings to pay for the due rents, pursuant to N.D.C.C 35-33-01. I agree and understand that if I am late with my payment, the owner of the facility reserves the right to cancel any promotional discounts associated to my rental.

If I provide a credit card to rent a unit or parking space, I understand and authorize facility owner to automatically charge my credit card when rent is due.
